

Employee Acknowledgment

I acknowledge that I have reviewed the procedures regarding COVID-19 and have been provided other information regarding measures and precautions Emerald City Gymnastics Academy is taking concerning COVID-19. I acknowledge that it will be impossible for management to supervise every employee's actions throughout the day but that, if I have concerns about these procedures, adhering to these procedures, or have reason to believe that adequate precautions are not being taken, I will report these concerns immediately and directly to Sandy Flores.
