

EMERALD CITY GYMNASTICS ACADEMY EMPLOYEE COVID-19 GUIDELINES

Employees of Emerald City Gymnastics Academy must agree to take their temperature prior to arriving at work or take their temperature upon arrival. Emerald City Gymnastics will have a Tempural touchless thermometer for use at the front desk. Any employee with a temperature of 100.4°F or higher is considered to have a fever and will not be permitted to work.

No high-risk employees will be allowed to work during phase 1 of our opening. This includes those 65 years of age or over, those with serious underlying medical conditions like chronic lung disease, moderate to severe asthma and people who are immunocompromised.

As an employee you will be asked the following questions when you arrive at work. If you know any of them to be true, we ask that you let us know prior to arrival and not come to the facility.

1. Have you been in close contact with a confirmed case of Covid19?
2. Are you experiencing a cough, shortness of breath, or sore throat?
3. Have you had a fever in the last 48 hours?
4. Have you had a loss of taste or smell?
5. Have you had vomiting or diarrhea in the last 24 hours?

No employee will be permitted at the facility if they have been diagnosed with COVID19 (have not recovered or are still within the required 14 day quarantine), had symptoms of COVID19 (within the last 24 hours), or had contact with a person that has or is suspected to have COVID19 (within the last 14 days).

Staff must use hand sanitizer, with at least 60% alcohol as soon as they enter the building and agree to wash their hands frequently with soap and water and/or use hand sanitizer.

Staff agrees to stay 6 feet from each other and all students to the greatest extent possible. If for any reason staff has to be closer than 6 feet to another person, they must be wearing a cloth facial covering and gloves. Facial coverings and gloves will be provided by the gym.

A cleaning schedule will be posted and all employees must help maintain the safety and cleanliness of the gym. Employees will be provided proper PPE (personal protective equipment) while performing these tasks.
